MEMORANDUM FOR: Deputy Director of Central Intelligence  
 FROM: Director, Office of Legislative Liaison  
 SUBJECT: Approval to Prepare Agency Seal Medallions and  
 Other Gifts for Full-Term HPSCI Members

1. You have already approved an Agency Seal Medallion to be given to Chairman Boland who is retiring from HPSCI having served the six-year maximum permitted by H. Res. 658. We now ask that you formalize approval, as discussed, for preparation of medallions for Representatives Romano Mazzoli, Norman Mineta, Wyche Fowler, G. William Whitehurst, and Bill Young, all of whom are also leaving the Committee after six years of service.

2. In addition, we ask approval to present Agency three-color seals to Chairman Boland and Ranking Minority Member Ken Robinson (who already has a medallion).

3. This covers all of the Members leaving HPSCI at this time except Representative Albert Gore who will have served four years by the time the next Congress convenes. Mr. Gore is leaving the Committee as a matter of choice to run for the Senate. We do not think it is necessary or appropriate to make a special recognition presentation to him.

4. In addition to the medals and seals, we are preparing an album of pictures of Agency scenes for each Member who has reached maximum service. We will prepare a similar memorandum on the SSCI after 1 December when the Senate reorganizes its Committees.
